

It is a class A misdemeanor punishable, notwithstanding the provisions of section 560.021, RSMo, to the contrary, for a term of imprisonment not to exceed one year in the county jail or a fine not to exceed ten thousand dollars or both, for anyone to sign any initiative petition with any name other than his or her own, or knowingly to sign his or her name more than once for the same measure for the same election, or to sign a petition when such person knows he or she is not a registered voter.

INITIATIVE PETITION

To the Honorable Robin Carnahan, Secretary of State for the state of Missouri: We, the undersigned, registered voters of the state of Missouri and Clark County (or city of St. Louis), respectfully order that the following proposed amendment to the constitution shall be submitted to the voters of the state of Missouri, for their approval or rejection, at the general election to be held on the second day of November, 2010, and each for himself or herself says: I have personally signed this petition, I am a registered voter of the state of Missouri and Clark County (or city of St. Louis), my registered voting address and the name of the city, town or village in which I live are correctly written after my name.

OFFICIAL BALLOT TITLE

Shall the Missouri Constitution be amended to:

- repeal the current nonpartisan court plan used to select judges and the current prohibition on judges participating in political campaigns;
- select all judges through partisan elections; and
- reduce the terms for Supreme Court and Court of Appeals judges from 12 to 8 years?

Most local election authorities estimate no costs or savings, however, some local election authorities may incur estimated costs of \$25,000 to \$184,536 for each general election if the proposal results in the need for additional ballot pages. The proposal may result in an estimated savings of \$7,741 to state governmental entities.
